EDUCATION

VCE Year 11 and 12

Open many doors and broaden your horizons with VCE at AE!

The Victorian Certificate of Education (VCE) is a prestigious qualification awarded upon completing secondary education in Victoria, recognized worldwide and opening pathways to university, vocational training, or the workforce. At Acknowledge Education, we prioritize academic support through strong, respectful teacher-student relationships, creating an optimal learning environment.

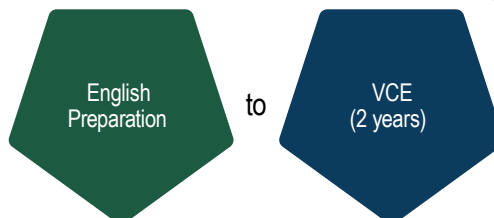

The VCE program equips students with essential skills for future careers, reflecting the latest educational approaches. Students can tailor their studies by choosing between two streams — Vocational Education Training (VET) or STEM — based on their individual goals and interests, ensuring a well-rounded and future-focused education.

English for Secondary School (High School Preparation)

We offer an in-house English for Secondary School Preparation course renowned for its excellence. Over the past 39 years, thousands of students have graduated from this program, making it one of the best in Victoria.

Course Structure

To satisfactorily complete the program, students must complete 16 units, including three units from the English group (with at least two at Unit 3 or 4 level) and three sequences of Units 3 and 4 studies in subjects other than English.

AE also offers Victorian Certificate of Education – Vocational Education and Training (VCE VET) in Hospitality, which can lead directly to employment and further studies in the Certificate III in Cookery or Patisserie. VCE VET is a program in Victoria, Australia that allows secondary school students to gain practical, industry-relevant skills while completing their VCE.
